	Winter Tournaments:	0		
	Coaching Fees: (Y or N)	N		
	Coaching Philosophy			
<p>I love most sports. Soccer, like all sports, are intended to be fun and challenging for all participants. Learning, growing and achieving are all goals of the game. The harder we work individually and as a team, the more success we will have. Soccer is a lot more fun when you win. I love to win, but winning "at-all-costs" is not a philosophy of mine.</p>
