	Winter Tournaments:	1		
	Coaching Fees: (Y or N)	N		
Coaching Philosophy				

COACHES

First, I need to mention my assistant coach, Damon Glenn. He could easily qualify as a head coach with his coaching experience and love for soccer. We have been coaching together for 3 years and have seen great success in the boys using teaching and coaching practices that we have learned over the years. Our successful methods have helped us advance two divisions over the last three years and we have now placed among the top teams in North B.

PHILOSOPHY

We are proud to be in this club! What a great job our Surf Davis leadership has done to improve the experience for these kids. We share the same mission as Surf in our Coaching Philosophy: to cultivate integrity, discipline, responsibility and work ethic through competition soccer. We want the kids to perform at the highest level they are capable. We want to champion strong and honorable individuals in our communities. We also want to help them improve and have fun doing it. We assess the boys at the beginning of the season and at the end of the year to help them with personal goals and skills.

COMPETITION SOCCER

Competition soccer requires a higher commitment than recreation soccer from both the players and the parents. We will work to build soccer skills, teamwork, and sportsmanship.

PRACTICES

Practices are essential to build soccer skills. We expect each player to focus and work hard at every practice. We are planning on holding practices 2-3 times a week for 90 minutes. The weeks we have a game, we will practice 2 times a week (example...Tuesday and Thursday from 4:30-6:00). We plan on practicing in Bountiful (Mills Park) or Wood Cross (Powerline Park) and/or other locations nearby.

GAMES

We will play 8-10 games in the fall and 8-10 in the spring. Half the games will be home games, usually at an Elementary school or Jr. High in South Davis County. The remaining games will be away games. These games will be played anywhere between Logan and Provo.

COST

We have talked as a coaching staff and we will not be charging coaching fees. You can then use your money you save for the other fees like registration, ref fees, uniforms, tournaments, indoor training, indoor soccer, and futsal in the winter. Along with not charging a coaching fee, we also expect parents to help with the management of the team. The team Manager will reach out to all team members with the ways you can help. We will give more specific information about the detailed costs during tryouts.

If you have any questions, please text or call me at 801-718-7967.
